

FIDIVI, a weaving mill with long experience in upholstery fabrics for the contract and transport sectors, introduced its *Safari* collection of upholstery fabrics. Mario Cavelli, a manufacturer of drapes, decorative fabrics and table linen, revealed its new Trevira CS qualities, including broad materials. Müller Zell, a specialist in high-end decorative and upholstery fabrics, demonstrated its fabric collections and also individual concepts for international customers.

Giorgio Piovano is enhancing the range of new Trevira CS collections with a series of interesting knitted developments. The experienced verticalized manufacturer of customised woven fabrics Pugi is presenting its Trevira CS collections of wool-like qualities in natural looks. Spandauer Velour produces a wide range of high-value velour fabrics for decorative and upholstery fabrics, especially for the contract market. These, and other innovations were on display at the event.
